

## Benefits of Trade Financing

-

Savings on exchange rates and/or interest costs through offshore funding

-

There is no establishment fee and no annual facility fee (unlike most banks)

-

All costs are payable in arrears

-

Use the Frasers facility as much or as little as it suits you

-

Increased sales funded by an additional source of outside working capital gives a significant increase in return on funds invested

-

Any facility granted by Frasers is completely additional to to any Bank line granted to your Company and will not interfere with your existing arrangements

-

An overall credit limit can be provided to your Company by Frasers, from which any amount can be used, at any time, for any current trade purchase, on a revolving basis
