

Leather Guard - Cleaner & Conditioner

Nuvite's Leather Guard helps you keep that brand-new, supple, fine finished leather look and feel for luxury aircraft, RV or automotive seating, fine furniture or institutional use. Leather Guard is the finest enriching formula available for leather nutrition. Cleaning, by necessity, removes oils that have to be replaced to maintain the surface and feel of the leather. Leather Guard lightly cleans while restoring these essential natural oils and conditions the surface after cleaning. Can be used to enhance appearance of all types of faux leather surfaces as well. Leather Guard leaves premium leather look and feel (not shiny), and does not leave a slippery, glossy surface. Supplied as a ready to use cream. Leather Guard can be used to recondition dry, stiff leather, has a leather aroma and is completely biodegradable.
